Date received by Legal & General

1. This documentation has been produced for consideration by the employer's legal advisers. The legal and tax effects of the Trust will depend on the circumstances of each case and Legal & General (as defined in clause 12.5 of Part B of the Trust) and its advisers accept no responsibility for ensuring that the Trust meets your requirements.
2. Ensure that you fully understand the terms of the Trust and how it works: See the Relevant Life Plan Policy Summary for further details. If you are in any doubt about the terms, it is your responsibility to seek legal or tax advice as appropriate.
3. It's important we hold up to date and complete details about the trustees of this policy, as well as the lives covered by it, to comply with money laundering regulations. So if your details change at any point please let us know. Keeping this information up to date will help to avoid a delay if a claim is made, giving extra peace of mind. Our privacy policy explains how we will use the information you provide and can be found by visiting **legalandgeneral.com/privacy-policy**.
4. You should also ensure you have read and understood all the literature relating to the Relevant Life Plan.
5. This Trust is designed for use only with Legal & General's Relevant Life Plan. It is not designed and should not be used with any other policy or plan. Please contact Legal & General for other trust deed templates that we may offer.
6. The Principal Employer is the person who is creating the Trust. The Trustees will be the legal owners of the Policy and their authority is required for any dealings with the Policy. It is the Trustees who would make a claim for any Policy proceeds.
7. It is generally a good idea to have at least two Trustees at any time. Care should be taken when choosing Trustees. The people appointed must be over 18 years of age and of sound mind. The Trustees should be people who will act in the best interests of the Beneficiaries. It is also generally a good idea for them to be resident in the United Kingdom, for tax reasons. Solicitors and accountants can act as Trustees but they will charge for their services.
8. Where the Principal Employer has chosen not to be a Trustee, it is very important that at least one additional Trustee is appointed to the Trust. We do not recommend the life assured be appointed as Trustee.
9. You may wish to supplement the Trust with a Nomination Form to provide guidance to the Trustees.
10. Inheritance Tax charges can arise during the life of the Trust. For example, tax may be payable on each 10th anniversary of the Trust and when capital is paid to a Beneficiary. For further information see the Relevant Life Plan Key Features.
11. Please note that Legal & General will only accept instructions from Trustees who have had their identities verified. We may need to also confirm the identity of other individuals relating to the Trust. We may do this by using reference agencies to search sources of information; this will not affect credit ratings. If this identity search fails, we may ask the parties for documents to confirm their identities. By signing this Deed, all parties to this Deed have consented that we can verify their identity and that, if required by Legal & General, the Trustees will take all reasonable steps to obtain for Legal & General evidence of identification for any of the Beneficiaries of the Trust.
12. Legal & General has drafted this Trust to reflect the law at the time of this publication. Legal & General and its advisers cannot accept any responsibility for loss, damage or other claim that may arise from the use of this Trust or the way in which you complete it. We therefore strongly recommend that you consult your own legal or tax adviser before proceeding.
13. Use CAPITALS and black or blue ink throughout. If you make a mistake while completing the Trust, please correct the error by crossing out (do not use correction fluid) and the Principal Employer and the Trustees should initial the change.
14. If the trust or trustees are resident for tax purposes anywhere other than the UK you must also complete the Trust/Entity Self-Certification Declaration Form and send this to us together with the completed Deed.
15. The personal information we have collected from you will be shared with fraud prevention agencies who will use it to prevent fraud and money-laundering and to verify your identity. If fraud is detected, you could be refused certain services, finance, or employment. Further details of how your information will be used by us and these fraud prevention agencies, and your data protection rights, can be found by accessing this link: **cifas.org.uk/fpn**
Legal & General and other organisations may also access and use this information to prevent fraud and money laundering, for example, when: Checking details on applications for credit and credit related or other facilities, managing credit and credit related accounts or facilities, recovering debt, checking details on proposals and claims for all types of insurance, checking details of professional business clients, job applicants and employees.
