

# Price Beater

We pride ourselves on being able to offer your clients a range of award winning protection products, and with **Price Beater** we go one better and offer to beat any like-for-like quotes.

## What is Price Beater?

We'll beat the standard premium offered by a competitor on a like-for-like product for your high sum assured protection business, without you having to sacrifice any commission rate in the process.

## How does it work?

To obtain a Price Beater quotation, just follow these 3 simple steps:

1. Add the quote onto OLP Connect as an illustration.
2. Email the portal comparison with your OLP Connect AN Reference Number to your Business Development Manager.
3. We'll update OLP Connect and notify you so you can proceed with your application quicker and easier.

Terms and conditions apply.

\*Excludes Whole of Life Protection Plan, Family and Personal Income plan, Low Start Income Protection and Executive Income Protection plans.

## Products available

Available on all of our life insurance, Critical Illness Cover and our Income Protection Benefit plans\*, including increasing plans where applicable, with sums assured of:

- £600,000 to £10 million for life cover level or decreasing)
- £600,000 to £4 million for life cover (indexed)
- £350,000 to £2 million for critical illness cover
- £2,000 to £20,000 per month for income protection (standard or low cost)
- £2,000 to £14,000 per month for income protection (indexed standard or indexed low cost)
