

Further developments to our Digital Medical pre-sale support

Quickly get the underwriting
information you need for even more
conditions

We have developed our online MUTAL tool even further to give you more visibility, Due to popularity and utilising users feedback provided, we are continuing to expand our offering to give you quick access to the information you need during pre-sale.

Now including

- [Mental Health MUTAL Tool](#) can provide an instant online indication of terms for certain mental health conditions.
- Cancer
- Heart Attack
- Aggregate Decisions

Along with still having support with BMI, Underwriting & Financial Limits, Diabetes, Hypertension and Cholesterol

How to access

Step 1 – Log into Agent Hub on the Adviser Centre using your usual login

Step 2 – Locate the ‘Do you have a question?’ box at the bottom right of the screen

Step 3 – Select **MUTAL Tools (New)** from the dropdown and get started with medical pre-sales support at your fingertips

We have also created a [handy video](#) to demonstrate how it works.
