

Group Income Protection ONIX wellbeing services

As part of our ONIX benefits package, Legal & General's Group Income Protection provides your client with access to the following wellbeing Services:

Be well.

by actively managing their wellbeing

Day-to-day wellbeing support: Includes access to a confidential helpline, online Cognitive Behavioural Therapy, counselling and a consultation and coaching service for managers.

Be Well helpline: Line managers or HR can call us for guidance on employees who need support with anything from stress to Covid-19.

Later life care support: A service to help employees understand the care options and support available. Designed to help provide peace of mind when planning the care arrangements for a loved one.

Get better.

when accident or illness strikes

Virtual GP: A 30-minute video consultation with a GP for private prescriptions, sick notes, and private referrals.

Mental health support: Targeted single session therapy for employees and their immediate family.

Mental health interventions: where appropriate, longer-term treatment plans are available.

Virtual Physiotherapy: Where relevant, funded treatments without the need for a GP referral.

Second Medical Opinion A global network of medical specialists can give employees a second opinion and advice on their diagnosis and treatment.

Medical Concierge Gives employees professional help to find the right private treatment from a global network of specialists to meet their needs and budget.

Nurse Support Service For employees who have received a referral from a GP to a clinical specialist, our Nurse Support service provides a virtual service offering practical and emotional support from an experienced and fully qualified nurse.

Fully funded vocational rehabilitation support We can arrange and fund rehabilitation where appropriate, to help employees return to work as quickly and effectively as possible, without the need to wait for a GP referral.

Be supported.

when they need it most

Financial protection: Once confirmed, we'll pay the claim promptly for the employer to pass on through payroll

Return to work help: We'll create a plan, where suitable, to get your clients employee back to work.

Relapse prevention programme: We can look to support employees who return to work following a claim, but need help later down the line.

Long-term condition support: Mobile phone App to help employees with one of the supported six long-term health conditions such as Cancer and Multiple sclerosis, manage their symptoms, appointments and medication.
